Local Notice to Mariners: No 2 of 2024

Issued 3rd September 2024

Notice of Lock Gate Closure

Wednesday 4 September 2024, 0830–1600 hrs

In order to repair an electrical fault, the lock gates at Royal Quays Marina will be out of action from **0830 to 1600 on Wednesday 4 September 2024**.

During this time, it will not be possible for vessels to enter or depart the marina. Vessels wishing to go to sea on this day should depart the lock before the close down. Vessels may use the waiting pontoon to delay their sailing, or if returning to the marina before reopening.

We will endeavour to complete the task as quickly as possible and if completed earlier than scheduled this will be notified via the marina Facebook page.

We apologise for short notice of the closure, however, it is important that we undertake the work promptly to ensure reliable operation of the gates.

Further updates on progress will be issued to all marina users by e mail and via the marina Facebook page.
